

Businesses were asked about the current position of their business.

Ireland and Northern Ireland

Out of all businesses:

Over half reported their business position as **stable**, compared to **a third** who reported **growth**.

This is similar to Q2 2016 even taking into account the impact of Brexit.

★ Impact of Brexit on exporters

The vote for the UK to leave the EU has had a neutral impact on **62%** of exporters, while **34%** have experienced a negative impact.

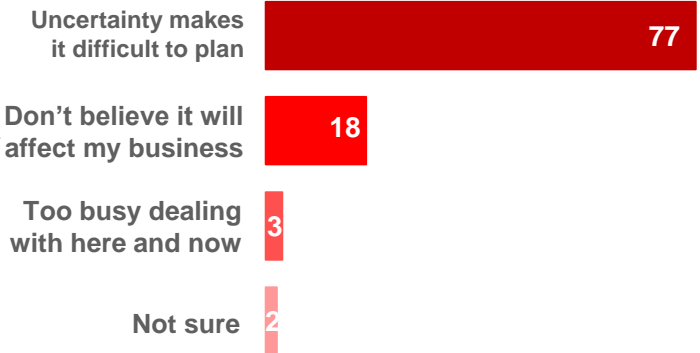

Compared to 76% neutral impact on non-exporters.

97%

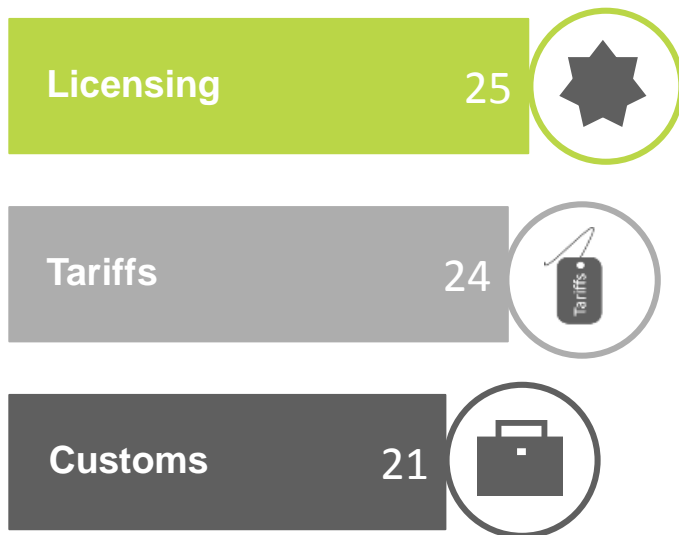

of exporters have **not** made plans to deal with Brexit

Reasons why exporters have not made plans:

Demand for Brexit advice for businesses who export

Percent of exporters who would value Brexit support and advice on the following areas:

Of businesses with cross border sales:

If you are a business looking to navigate your way through Brexit and are unsure what to do next, start with our Brexit Advisory Service.

We offer a suite of supports for SMEs, including funding of up to £2000/€2000 towards professional advice in relation to Brexit matters, through our [‘Start to Plan’ Service](#).

If you need information on what the introduction of possible tariffs might mean for your business our Service can also point you in the right direction.

For help and support just contact brexit@intertradeireland.com or call 028 3083 4100 (048 from Ireland).
